Catherine Thomas, Neil Hunter, Neil Lewis, Alison Coward, Daniel Overend, Nicholas ? Neil Spencer, Charlotte Bailey.

Front Left to Right

Wendy Brickle, Amanda Evans, Shirley Cole, Anna Morgan, Sharon Spencer.

This team was special as it was one of the first Pembroke & District School teams to be made up of entirely club swimmers. This team remained unbeaten for the whole year.

(Two swimmers Shirley Cole and Anna Morgan are in our individual swimmers hall of fame list)

A great chapter in the history of our club.

The team went the whole 1993 season unbeaten and won the South Wales League. Under the head coach Gwyn Goforth helped by assistant Keith Thompson the club produced an excellent team with some very good swimmers that were more than a match for most clubs.

Unfortunately shortly after this the South Wales League along with the South Wales Junior League were disbanded which many feel was a great loss to club swimming.

The Dream Team

Pembroke 12/13 yrs boys team was a special team that was never beaten in a medley race at any level they competed in. The boys medley team consisted of Daniel Casey *Backstroke* Huw Day *Breaststroke* David Thompson *Butterfly* Martin McNally *Freestyle*. In the freestyle team Huw Day often made way for Neil Hughes. In 1995 the boys won the West Wales Medley relay in record time beating a Swansea team that boasted 4 age group winners and National qualifiers, they also and came 3rd in the freestyle. In 1996 the boys won both medley and freestyle in the Welsh National Schools Championships all in record time and from then on they called themselves **The Dream Team**. Shortly after this Huw a long and short course national breaststroke champion gave up his swimming and Daniel moved away to live with family in England.

Bottom left Daniel Casey, David Thompson

(two of the team Huw Day and David Thompson are featured in the individual hall of fame files)

The 2009 West Wales Boys Relay team was the start of another golden time for Pembroke Swimming Club. Around this time the club started to produce so many future quality swimmers. This was the medley relay team of 2009. Shortly after this the Pembrokeshire Swimming started to enter County teams into the West Wales Championships so this may have been the last truly Pembroke team to win the at the Championships.
